- Like the homepage of mockup 1 a lot
- One page style with shortcuts is really conducive to the content
- Beige background of mockup 2 is easier to read off of
- I like the font choice – typewriter style
- Mobile version 1 – arrows with key players is a good choice
- Going to shorten content
    - Which content is a must include?
    - Summarize down the content of the trial
    - Media coverage, legacy
